

How you  
work today?

Why not share with us?

## A Bottom Line Issue:

Is it POSSIBLE to plan a

**100%** performance workplace?

# DESIGN DOES MATTER

Today's workstyle has changed. Knowledge employees across different generation working together in an organization.

The design of the workplace impacts performance. Better workplace design drives innovation . It is beyond just effectiveness of work modes.

The background image shows two women in a modern office setting. One woman, with long blonde hair, is seen from the back, wearing a light-colored blouse and a dark skirt. She is holding a folder and pointing towards the other woman. The second woman, with dark hair, is facing her, smiling, and wearing a black dress. She has her hand on her hip and is holding a pair of glasses. The office has large windows and a bright, airy feel.

PerformanceWorkplace  
IT IS ABOUT  
8+ HOURS at  
WORKPLACE

The lives of today's workers are increasingly characterized by an abundance of choice where a designed workplace should support individual wellbeing's choice of when, where & how to sit & meet while working throughout a lovely day!

# WORKING AT A WE PLACE

SIT & MEET

PLAN OR EVEN IMPROMPTU

OPEN OR EVEN SEMI-OPEN

A photograph of two men in business suits standing in a modern office hallway. They are facing each other and appear to be in conversation. The hallway has large windows on the right side, and the floor is polished. A yellow armchair is visible in the background on the right.

# **CHOICE DRIVES PERFORMANCE**

**Employers who provide a spectrum  
Of choice for when & where to work  
Are seen as more innovative & have  
Higher-performing employees.**

# 100%
